require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or eachier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, insurumentality, or entity; or (d) Electronic Funds Transfer.

Lender may return any payment or partial payment if the payment or partial payment are insufficient to bring the Extension of Credit current. Lender may accept any payment or partial payment insufficient to bring the Extension of Credit current, without walver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hald such unapplied funds until Borrower makes payment to bring the Extension of Credit current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due, Any remaining amounts shall be applied first to labe refuges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Burrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent dust any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be amplied as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can again priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; and (c) premiums for any and all insurance required by Lender under Section 5. These items are called "Escrow Items." At origination or at any time during the term of the Estension of Credit, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the ovent of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish

to Lender receipts evidencing such payment within such time period as Lender may require. Bostower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a walver, and Borrower falls to pay the amount due for an Escrow liem, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 14 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimute the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an insulution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Low permits Lender to make such a charge. Unless on agreement is made in writing or Applicable Law requires interest to be paid on the Punds, Lender shall not be required to pay Borrower any interest or carnings on the Punds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Decreaver, without charge, an annual accounting of the Funds as required by

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall necount to Borrower for the excess funds in accordance with RESPA. If there is a shoringe of Funds held in excrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortege in accordance with RHSPA, but in no more than twelve monthly payments, if there is a deficiency of Funds held in escrow, as defined under RBSPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than twelve monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Churges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these Items are Esecow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Leader, but only so long as Borrower is performing such agreement; (b) contests the lian in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien, Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Burrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Extension of Credit.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hexards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Leader requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Extension of Credit. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Extension of Credit, either; (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and confination services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Bostower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Bonower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disburrement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgages and/or as an additional loss payee. Lender shall have the right to hold the policies and tenewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Barrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard martgage clause and shall name Lender as mortgages and/or as an additional loss payer.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to resumation or repair of the Property, if the renoration or repair is economically femilie and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such innurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Londer's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restantion in a single payment or in a series of progress payments as the work is completed. Unless on agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Leader shall not be required to pay Borrower any interest or carnings on such proceeds. Pees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums recurred by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower, Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Londer may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either ovent, or if Lender captiles the Property under Section 21 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of uncarned premiums paid by Borrower) under all insurance prolicles covering the Property, insofar as such rights are applicable to the coverage of the Property. If Lander exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 14 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke my remedies permitted by this Security instrument without further notice or demand on Borrower.

The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. There also might be one or more changes of the Loan Services unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RHSPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Extension of Credit is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Barrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and

are not assumed by the Now purchaser unless otherwise provided by the Note purchaser.

If Applicable Law provides a time period which must clapse before certain action can be taken, that time period will be decreed to be reasonable for purposes of this paragraph. For example, Section 50(a)(6)(Q)(x), Article XVI of the Texas Constitution, generally provides that a lender has 60 days to comply with its obligations under the extension of credit after being notified by a borrower of a failure to comply with any such obligation. The notice of acceleration and opportunity to cute given to Borrower pursuant to Socion 21 and the poince of acceleration given to Borrower pursuant to Section 17 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 19.

I, BORROWER'S PROMISE TO PAY

This is an extension of credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution (the "Extension of Credit"). In return for the Extension of Credit that I have received evidenced by this Note, I promise to puy U.S. \$ 85,100.00 (this amount is called "Principal"), plus interest, to the order of the Lender. The Lender is

NEW CENTURY MORTGAGE CORPORATION

7030 HAZEN STREET

I will make

all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

I understand that this is not an open-end account that may be debited from time to time or under which credit may be extended from time to time.

The property described above by the Property Address is subject to the lien of the Security Instrument executed concurrently herewith (the "Security Instrument").

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 7,3000 %. It is agreed that the total of all interest and other charges that constitute interest under applicable law shall not exceed the maximum amount of interest permitted by applicable law. Nothing in this Note or the Security Instrument shall entitle the Note Holder upon any contingency or event whatsoever, including by reason of acceleration of the naturity or Prepayment of the Extension of Credit, to receive or collect interest or other charges that constitute interest in excess of the highest rate allowed by applicable law on the Principal or on a monetury obligation incurred to protect the property described above authorized by the Security Instrument, and in no event shall I be obligated to pay interest in excess of such rate.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making a payment every month.

I will make my monthly payment on the first day of each month beginning July

2004

I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on June 1, 2019

I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Matterity Date."

I will make my monthly payments at 18400 VON KARNAN, SUITE 1000

IRVINE, CA 92612

or at a different place if required by the Note Holder.

(8) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. \$ 788.41

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Hulder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment unbount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my mouthly payment unless the Note Holder agrees in writing to such changes, my payments thereafter will be payable in substantially equal successive monthly Installments.

5. LOAN CHARGES

All agreements between Note Holder and me are expressly limited so that any interest, loan charges, or few (other than interest) collected or to be collected from me, any owner or the spouse of any owner of the property described above in connection with the origination, evaluation, maintenance, recording, insuring or servicing of the Extension of Credit shall not exceed, in the aggregate, the highest amount allowed by applicable law.

If a law, which applies to this Extension of Credit and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this Extension of Credit exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder will make this refund by making a payment to me. The Note Holder's payment of any such refund will extinguish right of action I might have arising out of such overcharge.

It is the express intention of the Note Holder and me to structure this Extension of Credit to conform to the provisions of the Texas Constitution applicable to extensions of credit as defined by Section 50(a)(6). Article XVI of the Texas Constitution. If, from any circumstance whatsoever, any promise, payment, obligation or provision of this Note, the Security Instrument or any other loan decument involving this Extension of Credit transcends the limit of validity prescribed by applicable law, then such promise, payment, obligation or provision shall be reduced to the limit of such validity or eliminated as a requirement, if necessary for compliance with such law, and such document may be reformed by written notice from the Note Holder without the necessity of the execution of any new amendment or new document by me.

The provisions of this Section 5 shall supersede any inconsistent provision of this Note or the Security Instrument.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.00 % of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(0) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means. This Note may not be accelerated because of a decrease in the market value of the property described above or because of my default under any indebtedness not evidenced by this Note or the Security Instrument.

(D) No Walver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full us described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law, including Section 50(a)(6), Article XVI of the Texas Constitution. Those expenses include, for example, reasonable attentions' fees. I understand that these expenses are not contemplated as fees to be incurred in connection with maintaining or servicing this Extension of Credit.

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mall to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address. However, if the purpose of the notice is to notify Note Holder of failure to comply with Note Holder's obligations under this Exension of Credit, or noncompliance with any provisions of the Texas Constitution applicable to exensions of credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution, then notice by certified mail is required.

8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

Subject to the limitation of personal liability described below, each person who signs this Note is responsible for ensuring that all of my promises and obligations in this Note are performed, including the payment of the full amount owed. Any person who takes over these obligations is also so responsible.

I understand that Section 50(a)(6)(C), Article XVI of the Texas Constitution provides that this Note is given without personal liability against each owner of the property described above and against the spouse of each owner unless the owner or spouse obtained this Extension of Credit by actual fraud. This means that, absent such actual fraud, the Note Holder can enforce its rights under this Note solely against the property described above and not personally against any owner of such property or the spouse of an owner.

If this Extension of Credit is obtained by such actual fraud, I will be personally liable for the payment of any amounts due under this Note. This means that a personal judgment could be obtained against me if I fail to perform my responsibilities under this Note, including a judgment for any deficiency that results from Note Holder's sale of the property described above for an urnount less than is owing under this Note.

If not prohibited by Section 50(a)(6)(C), Article XVI of the Texas Constitution, this Section 8 shall not impair in any way the right of the Note Holder to collect all sums due under this Note or prejudice the right of the Note Holder as to any promises or conditions of this Note.

9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due, "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been pald,

In addition to the protections given to the Note Holder under this Note, the Security Instrument, dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Londer may require immediate payment in full of all sums secured by this Security Instrument, However, this option shall not be exercised by Londer if such exercise is prohibited by Applicable Luw.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 14 within which Bortower must pay all sums accured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security hearninest without further notice or demand on Borrower.
